

Crawford County Fair Association

Press Release

June 10th, 2020

Girard, Kansas: Crawford County Fair Association moving forward with 104th Crawford County Fair.

After the monthly CCFA meeting June 9th and a Wednesday June 10th meeting with Crawford County Health Department representatives, The Crawford County Fair Association remains confident the 2020 Fair will continue as scheduled Wednesday July 29, through August 1st.

| | |
|--|---|
| Wednesday, July 29th | Rodeo |
| Thursday, July 30th | Rodeo |
| Friday, July 31st | Tractor & Truck Pull |
| Saturday, August 1st | Crawford County Fair Demolition Debruy |

Some changes are planned for the Fair this year due to the global pandemic. Fairgoers are encouraged to maintain social distancing while on the Fairgrounds. Specific examples of these changes will be the absence of the popular bounce house and carnival rides, signs posted on the Fairgrounds encouraging everyone to follow CDC social distancing guidelines, staying in family groups when attending events, extra hand washing stations, and wearing facemasks if comfortable doing so. For added safety, the Fair Board encourages fairgoers to bring lawn chairs this year to enjoy the “fresh country air.”

Food and merchandise vendors will be invited to set up as usual. They will also follow health department guidelines. Vendor spot pricing and information can be obtained at (620) 249-5463.

The popular 4H Livestock sale will be held on Saturday August 1st.

In support of the Grandstand 2020 Project, The Fair Board is selling chances to win a brand new ATV. Look for the ATV on display at Producers COOP in Girard. Nearly 100,000 has been raised toward the \$300,000 grandstand facility construction goal.
